

LEGAL SERVICES IN UKRAINE

UNITED
LAW COMPANY

The background of the entire page is a lush green forest. In the upper half, there is a semi-transparent white box containing a table of contents. Below this box, the forest continues, showing a path made of wooden planks that leads towards a bright, circular opening in the dense foliage in the distance.

UNITED LAW COMPANY

About the United Law Company

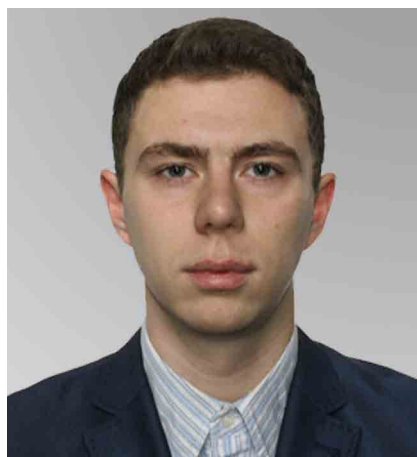

Our company is well experienced in the creation of Ukrainian and international legal instruments for the foundation and development of business; we ensure the stability of your reputation and assist with establishing business relationships; and, of course, we will protect your interests and the interests of your company in tax and commercial disputes.

Since its founding, the United Law Company has managed customer needs with high levels of responsibility and quality. We treat your case as we would our own. All of our lawyers and employees will devote their time to solving your issues and the issues of your employees. In doing our work, whether it is explaining legislation or analyzing and preparing documents for you, we believe that your success is our success.

United's professional team of lawyers possess

experience in IT, the judiciary and public authorities; in addition to their legal education, our employees have economic, accounting and technical education and working experience in these environments; they took courses in the best universities abroad and received practical training in established law firms around the world. The United Law Company maintains a wide range of relationships both with highly skilled scientific experts (professors and lecturers from leading universities around the world) and with lawyers, experts with focused specialization in specific markets for the most complete and high quality provision of legal services by our company within its competence, both in Ukraine and abroad.

We look forward to answering your questions, addressing emerging challenges and will help you to avoid prospective legal problems in the future. Please contact us for more information.

Market Entry Strategies

Online Gaming

The United Law Company offers an unrivalled understanding of this sector, on the basis of our expert legal team. Our experience in IT has helped us to resolve some of Ukraine's most complex transactions, projects and disputes.

Our legal team ensures that clients achieve both their commercial goals and that they are able to successfully implement their development strategies for further growth and regulatory compliance. Our sustained presence in the industry has helped us to excel at understanding both the mechanics and the economics of the sector. It has allowed us to be proficient in offering innovative, practical and valuable solutions in a fastpaced, competitive and often heavily regulated IT sector. For these reasons, United is one of the market leading law companies.

OUR PRACTICE AREAS

Corporate and Finance

Setting Up a Company

Corporate and Commercial Law

Direct Foreign Investment

Investment Management

Mergers and Acquisitions

Venture Capital and Private Equity

Startup and Entrepreneurship

Economy

Angel Investments

The United Law Company offers expertise in transaction support, backed by an exceptional track record in our focus areas and our particular strengths in highly regulated industries.

Our extensive comprehension of differences between local approaches, laws and customs enable us to solve transaction management issues that our clients commonly face.

Our experts closely follow all aspects of your case at every stage of the process commencing from a pre-transaction risk analysis and dealstructuring to post-completion reviews and business plan implementation. This enables us to handle numerous complex corporate law issues that can arise from a single corporate transaction.

Trade Secrets

The United Law Company combines careful planning with good judgment to ensure the protection of our client's intellectual property. While frequently international in scope, intellectual property disputes require extensive knowledge of local laws in a variety of jurisdictions and a deep understanding of the technical matters in hand.

We are especially well regarded for our market awareness and our commitment to client relationships. We pride ourselves on undertaking a conscientious approach to managing budgets and ensuring a cost effective and value driven service to our clients.

OUR PRACTICE AREAS

Taxes

*Legitimacy Assessment of
Tax Authority Operations*

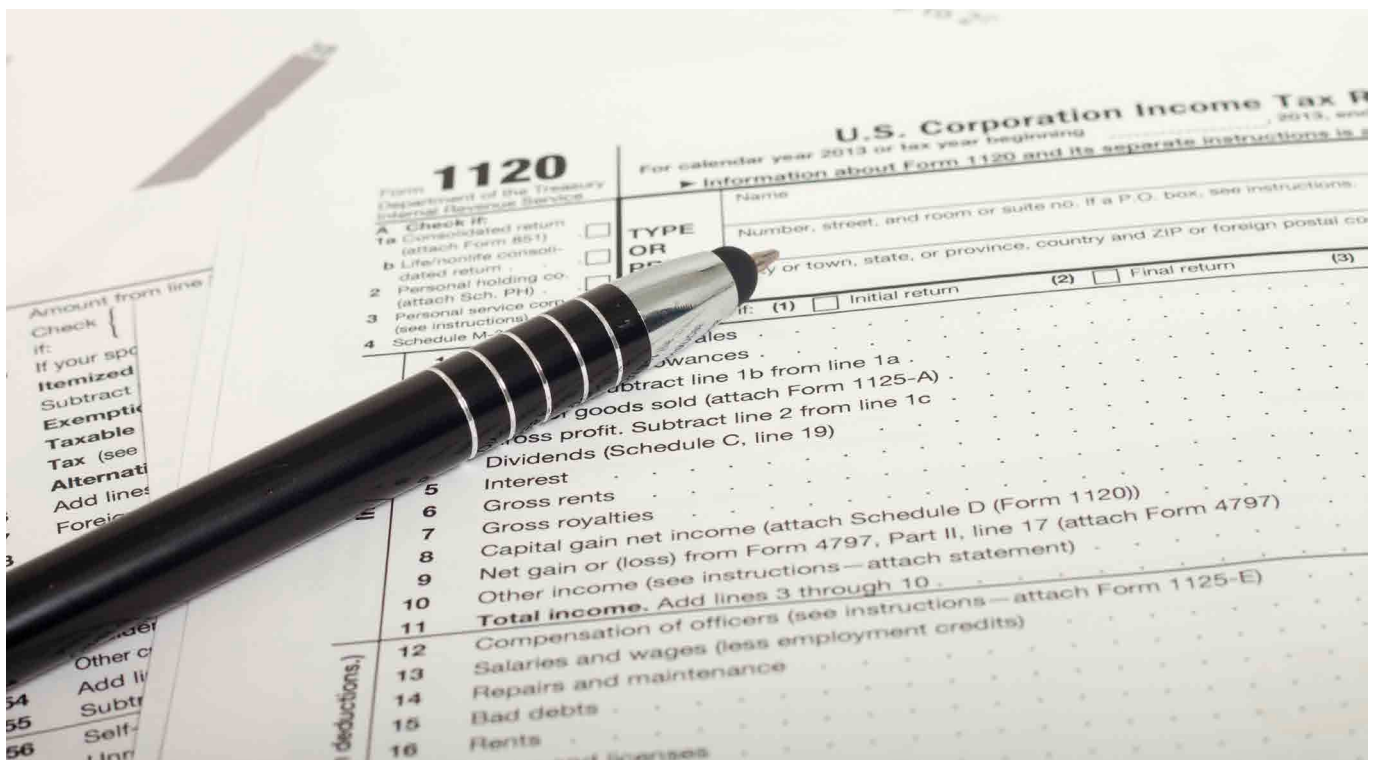

Case Viability Assessment

Tax Dispute Advisement

Tax Dispute Representation

Our Lawyers have extensive experience in providing legal support to clients embroiled in tax disputes. We help our clients to understand all aspects of enterprise taxation and develop a tax strategy, advise them on tax efficient ways of structuring transactions and dealing with tax authorities.

We have strong analytical and legal skills to offer counsel to our clients. We can also provide complicated technical advice that is both clear and feasible for our clients.

OUR PRACTICE AREAS

Litigation and Enforcement

Litigation

Commercial Litigation

Copyright and Trademark Litigation

Domain Name Disputes

Patent Litigation

Both our litigation services and IT/telecom expertise have ensured that the United Law Company offers the highest quality dispute resolution services in the market coupled with our specialist sector knowledge.

Our litigation team is one of a few in Ukraine that can offer true expertise in resolving disputes in the IT and telecom sectors.

Among our clients are high profile individuals, software companies, holding companies, telecom operators and government authorities. We provide end-to-end services for every situation and regularly resolve a full range of contractual, licensing and regulatory issues.

OUR PRACTICE AREAS

Regulatory and Compliance

Regulatory Compliance

Regulatory Risk Analysis

Regulatory Impact Assessment

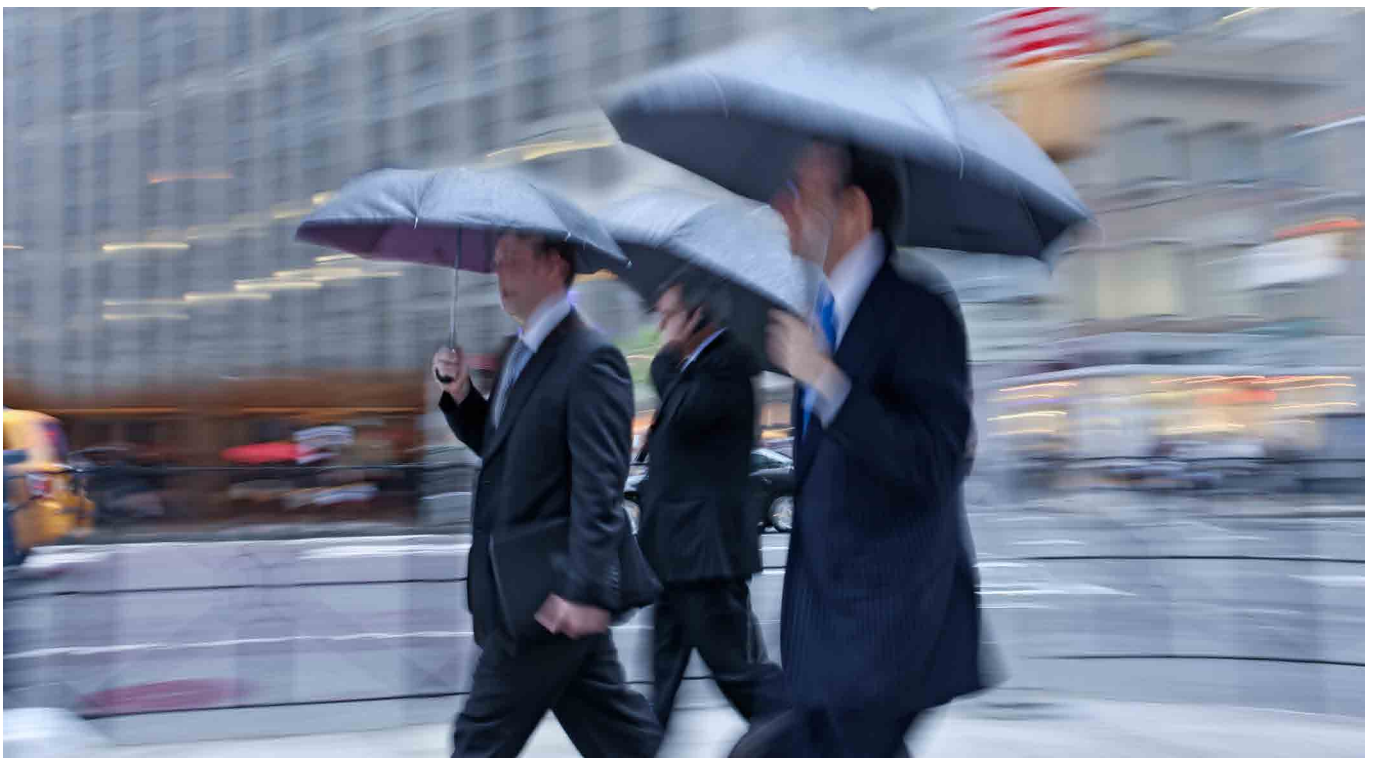

Regulation Benchmark Analysis

Regulation Opportunity Analysis

Regulators /Government Relations

Stakeholder Relationship

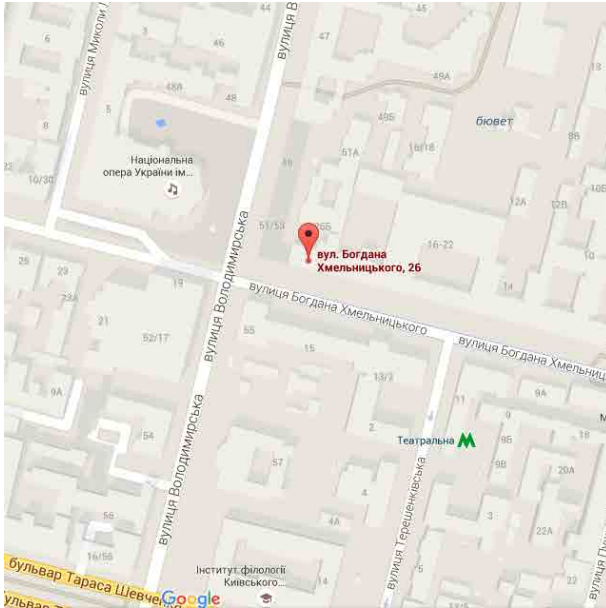

The United Law Company business acumen helps us meet the comprehensive needs of our clients in the dynamic regulatory landscape. In this field there is no substitute for experience and our cumulative knowledge of the regulatory environment and the relationships we have built and maintained are invaluable to our clients. Our multi-disciplinary team monitors changes of the regulatory landscape in the relevant jurisdictions.
